

DEPARTMENT OF FAMILY & COMMUNITY ENGAGEMENT

The Garland Independent School District recognizes that family and community engagement significantly contributes to a child's academic, social and emotional growth. In accordance with Goal 7 of GISD's Strategic Plan, the Family and Community Engagement department was created to cultivate a variety of partnerships to vault student success. These partnerships include: families, colleges, businesses and community organizations.

Our Mission:

The Department of Family and Community Engagement is committed to offering family and community engagement services that foster effective family and community partnerships that support student achievement.

Our Focus:

- Family Engagement
- Community Engagement
- Parent Education

Workshops & Parenting Series:

Parents and community members are welcome to attend workshops and events that are offered by our department. Visit our website for more information:
